

CRMA Membership:

On my behalf and the CRMA Board Members we sincerely wish you a Happy New Year and trust that 2021 has started off on a positive note. We hope that your Families, Loved Ones and Friends are staying Safe and Healthy! As I express well wishes for all in 2021 it's also hard to believe January 2021 is in the books already.

As I noted in the December 2020 newsletter, COVID-19 continues to be a very dangerous and deadly pandemic. I along with the CRMA Board Members are committed to the Safety and Well Being of the CRMA Membership. I regret to inform you that the February 2021 dinner/meeting has been cancelled. We will continue to monitor any/all developments specific to COVID-19 on a National, State and Local level, and will base our decisions accordingly regarding future CRMA meetings, functions and events.

While 2021 has not started off as I had planned, with now Two (2) dinner/meetings being cancelled, I trust the Membership agrees with these decisions. I like to extend a sincere THANK YOU to each of you for your patience and continued loyal support of the CRMA.

In closing, I will continue to provide updates regarding future CRMA meetings, functions and events with the hope that we will be able to resume normal operations soon. Safety is our number one concern for all members.

I along with the CRMA Board Members wish you a Safe, Healthy and Prosperous 2021.
