

CHICAGO RAILROAD MECHANICAL ASSOCIATION

CRMA Membership:

On my behalf of the CRMA Board Members we sincerely hope that your Summer Season is starting out on a positive note and that all of you and your loved ones have remained safe and healthy.

While things are looking optimistic as we go forward, the Club remains cautious with regards to returning to “normal” activities. COVID-19 is still active and we can’t let our guard down as it pertains to safety.

As mentioned within previous CRMA newsletters, I along with the CRMA Board Members am committed to the Safety and Well Being of the CRMA Membership. In keeping with that non-negotiable commitment, the Board recently met to discuss the 2021 May Dinner Meeting and the June Golf Outing. Based on the current status of COVID-19 and the dangers this pandemic still presents, we have voted unanimously to cancel the May dinner and the June Golf Outing

While I regret to make such an announcement, I truly hope that you understand our decision. The safety and well-being of all members is most important.

Looking ahead, I am encouraged and excited to inform that we plan on resuming normal Club Business with our October 2021 Golf Outing and Dinner. Please mark your calendar for Monday October 11th, 2021.

We will continue to keep you informed of all updates and news.

In closing, I along with the CRMA Board Members want to THANK each and every one of you for your patience and continued loyal support of the CRMA. We wish you a Safe, Healthy and Fun Filled 2021 Summer.

Please feel free to contact us at: crma@thecrma.org with any questions and/or comments.

Best Regards,

Steven A. Wiegel

President
